

## entrepreneurship development lecture notes

Wed, 13 Mar 2019 19:07:00 GMT entrepreneurship development lecture notes pdf - Entrepreneurship is the process of designing, launching and running a new business, which is often initially a small business. The people who create these businesses are called entrepreneurs. [need quotation to verify] Entrepreneurship has been described as the "capacity and willingness to develop, organize and manage a business venture along with any of its risks in order to make a profit".
