GMT igniting the sixth sense the pdf - Prehistory.

Archeological evidence suggests that hunter-gatherers were already settled in the lowlands north of the Alps in the Middle Paleolithic period 150,000 years ago. By the Neolithic period, the area was relatively densely populated. Remains of Bronze Age pile dwellings from as early as 3800 BC have been found in the shallow areas of many lakes. Around 1500 BC, Celtic tribes settled in ...
