

specification writing for architects and surveyors

Thu, 14 Mar 2019 16:57:00 GMT specification writing for architects and pdf - Specification writing 1 CONTENTS 1 THE IMPORTANCE OF THE SPECIFICATION There are many design decisions which cannot be expressed in drawn form. Thu, 14 Mar 2019 13:22:00 GMT Specification Writing - natspec.com.au - A formal specification is a mathematical description of software or hardware that may be used to develop an implementation. It describes what the system should do, not (necessarily) how the system should do it. Given such a specification, it is possible to use formal verification techniques to demonstrate that a candidate system design is correct with respect to that specification.
