

## the causes of structural unemployment four factors that keep people

Mon, 14 Jan 2019 04:52:00 GMT the causes of structural unemployment pdf - Structural unemployment is a form of unemployment caused by a mismatch between the skills that workers in the economy can offer, and the skills demanded of workers by employers (also known as the skills gap). Structural unemployment is often brought about by technological changes that make the job skills of many of today's workers obsolete.

Sun, 13 Jan 2019 02:16:00 GMT Structural unemployment - Wikipedia - Youth unemployment is the unemployment of young people, defined by the United Nations as 15-24 years old. An unemployed person is defined as someone who does not have a job but is actively seeking work. In order to qualify as unemployed for official and statistical measurement, the individual must be without employment, willing and able to work, of the officially designated 'working age' and ...
